Dear Dr. Daniel Munteanu,

Thank you very much indeed for your kind invitation to be the guest of honor at the international symposium: Ecumenism and Orthodoxy in Europe on the 16th – 18th June 2011.

Although I have tried to rearrange my duties, unfortunately, a series of pressing obligations make impossible for me to participate in this very important symposium. Please convey my warm regards to Prof. Moltmann and advise him that I really very sorry for this.

Wishing full success in this international Symposium on Ecumenism and Orthodoxy in Europe, I pray that the light and power of the Resurrection radiate in your life and work.

Archbishop of Tirana, Durres
